

pulse photography

your complete event photography service...

Considering a professional photographer?

Have you ever been disappointed with photos from an event or function that should have been captured well? We have all entrusted a staff member or an amateur for one of the most important events, only to find that the images taken were misrepresented and lack the life that should have been conveyed.

With 10 years experience within the events industry, Pulse Photography offers a complete photography service for those wanting to capture an amazing record of any event at **redscooter**.

Why choose us?

Pulse Photography offers professional photography services for any event-based activities – whether it is for a spectacular corporate event, an intimate social function, a public spectacle or images for all communication needs – online and print. Your event images will be supplied in high resolution format on CD/DVD within 3 working days.

Packages range to suit requirement, budgets and options:

- 1 Hour** - \$550.00. Great for capturing all of your guests on arrival & the anticipation of a great night.
- 3 Hour** - \$770.00. Guests on arrival, venue & theme shots, speeches & presentations, entertainment.
- 4 Hour** - \$880.00. Full event coverage.

Options

- A: Secure online galleries hosted for your clients to have complete private access - included
- B: Photographers dressed in costume / theme to match entertainment - \$220.00 per photographer.

The benefits of using a photographer.

- Images are a great tool for managing client relationships, follow ups and promoting staff morale.
- Confidence in knowing that your hard work and efforts will be recorded for future benefits.
- We know the dynamic event processes and when to be in the right place and at the right time.
- You can relax and enjoy the event along with all of your guests.

Pulse Photography uses the latest Canon professional digital equipment. If you would like to know more about our services, or simply have an idea you would like to discuss, **call Nigel on 0410 495 353** or simply ask the team at **redscooter** for more details.
